Safety signs Traiva

Issuing date: 6 November 2025

Page 1 / 1

1) Declaration issued by:

TRAIVA, s.r.o.

Pohraniční 104, Ostrava, 703 00, Czech Republic
Company ID: 25380141 VAT: CZ25380141

2) Product identification:

Safety signs, self-adhesive films and markings on plastic boards and self-adhesive films under the name:
Safety signs and self-adhesive films Traiva

3) Product description:

Safety signage made of plastic boards (e.g. PVC, PP) or self-adhesive films with printed safety symbols or text.
The products are intended for marking safety information, prohibitions, mandatory instructions, warnings, and escape routes.

4) Method of conformity assessment used:

Voluntary general product safety assessment – conformity assessment under specified conditions.
Testing and verification of conformity were performed in the **manufacturer's internal laboratory**.

5) List of other regulations and standards applied in the conformity assessment:

EN ISO 7010 – Graphical symbols – Safety colours and safety signs
EN ISO 3864-1 – Safety colours and safety signs – Part 1: Design principles
EN ISO 3864-2 – Safety colours and safety signs – Part 2: Product safety labels
EN ISO 3864-3 – Safety colours and safety signs – Part 3: Design principles for graphical symbols
EN ISO 3864-4 – Safety colours and safety signs – Part 4: Colorimetric and photometric properties

Regulation (EC) No 1907/2006 (REACH), as amended

Czech Government Regulation No. 375/2017 Coll. on the appearance, placement and design of safety signs and markings and the introduction of signals

6) Information on other body involved in conformity assessment:

No other body was involved in the conformity assessment.

7) Statement:

The company **TRAIVA, s.r.o.**, identified in point 1 of this declaration, confirms that the properties of the product specified in points 2 and 3 comply with the essential requirements and regulations identified in point 5 of this declaration.

The company guarantees and declares that the product complies with all applicable generally binding legal regulations and technical requirements.

The product is safe under normal conditions of use.

The supplier confirms that appropriate measures have been taken to ensure that all products placed on the market conform to the technical documentation and essential requirements.
